Sorehead Crowd.

A crowd of up-country anti-Otero administration republicans journeyed down to El Paso for the purpose of seeing President McKinley and protesting against the present executive's re-appointment. The president re-plied that he could not consider such a matter while on his trip, as he had determined to take a rest and give no attention whatever to business untif his return to Washington. It might be added that Governor Otero will un-

Thave been suffering from d.

Prof. M. E. Hickey was unanimous in reclicited to the position which he been unable after trying all preparation the past two years.

I have been supering from dyapara and have been unable after trying all preparations so faithfully and acceptably filled for the past two years.

After taking one bottle of Kodel Dyapara rules and am "I have been suffering from dyspep or the past two years.

The removal of the eleventh and popula Cure I found relief and am tweifth grades from the university to the Central school building was dis-cussed, and only the question of the cost to the city prevented a favorable. Thus writes Mrs. C. W. Roberts, North decision, last it was thought best to Creek, Ark. Cosmopolitan Pharmacy.

ANOTHER KILLING.

Several new teachers will have to be Tobe Odem Shoots a Native on His Pecos Ranch. Wednesday morning. Tobo C.em

one of the most substantial ranchmen of the Hagerman country, came to town and notified Sheriff Higgins that he killed a Mexican sheep herder on opened, together with an outline of the his ranch east of the Pecos and near course of study required. The holdthe Spring Mound valey neighborhood, ing of a teachers' institute is now ory ander the new Springer the sheriff, accompanied by Mr. Odem went down to Hagerman on the after-LUNA COUNTY.

LUNA COUNTY.

The Future is Bright With Premise of Propagaty.

Went down to hagerman on the atternoon train, and with the hatter of the peace drove out to the scene of the silling and held an inquest. Mr. Odem states that this Mexican had been holding his herd on Odem's ranch and a state of the tank not been holding his herd on Odem's ranch and the state of the tank not been holding his herd on Odem's ranch and the state of the tank not been holding his herd on Odem's ranch and the state of the scene of the state of the scene of th and watering them at his tank, not-Luns county is destined to be a very withstanding innomerable remongood county. It has an excellent set strances. On Wednesday morning he of officials, appointed by Governor went out to the ranch and found the of officials, appointed by the transfer went out to the ranch and found the Otoro, and therefore the first requisite for being a good county is fined. It will have picuty of taxable property. This was refused and some words had it contains the following rallroad mile age: Southern Pacific of miles. Santa Fo rallway 110 miles: 175 miles alto strapped on his back, but Otlem was strapped on his president and strapped on his pack.

reilway 110 miles. 175 miles altogether. When the Rishes and El Pano
railway shail have been completed
and it is believed this will be done
within the coming year, the equaty
will contain sixty-five miles more of
railroad. This is all broad guage and
avenue occupied by the San Jose Marin markle pains seem thrones raise of the most deep rate therefore and apparently be using have been amend completely and permanently by the use of 5, c. 5.

Write our play mass fully about your case and they will cheerfully essist you by their advice. We charge nothing whatever, our this service. Back free on by their advice. We charge nothing whatever are this service. Buck free on application.
